## EXPERIENCES

### Freelance Graphic Designer

Aug 2022 - Present

*Overthought Designs*

- Conceptualise and create brand identity including logo, color scheme, website/asset design, and typography based on client's needs utilising Photoshop, Canva, InDesign, and Procreate
- Design and paint custom mural paintings at company identified locations
- Issue and process invoices for services rendered and hours worked

### 3D Modeling Intern

Jan - May 2022

*Peter Coffin Studio*

- Constructed 3D models based on sculptor's sketches to be 3D printed and displayed in galleries
- Edited, refined, and manipulated existing 3D models and concepts within Blender and Rhino
- Pitched original sculpture concepts and designs based on artist's vision and goals

### Journalism Fellowship

April - July 2022

*Civic Story : New Jersey Sustainability Reporting Project*

- Composed articles to be published through CivicStory and NJIT's campus newspaper The Vector
- Proposed and researched article ideas based on climate change and sustainability efforts
- Communicated and interviewed individuals and organisations to investigate leads and gather information for stories

### Digital Design Representative

Sep 2021 - May 2022

*New Jersey Institute of Technology Student Senate*

- Represented and advocated for Digital Design Majors within the Student Senate and voiced concerns of students
- Met regularly with the Digital Design Major chair, Dean of NJIT School of Architecture and Design, and architecture firms for ongoing projects

### Undergraduate Researcher

Sep 2021 - May 2022

*NJIT Undergraduate Research and Innovation*

- Developed research plan and proposal titled "Sculpting Memories: Memory Augmentation for Patients with Alzheimer's"
- Focused on the potential to create a combined art therapy and virtual reality program to improve memory retention in early stage Alzheimer's patients
- Awarded Phase-1 URI Student Seed Grant

### Opinion Writer

July 2020 - Nov 2020

*The Latest*

- Pitched content ideas for categories including: entertainment, art, history, and current events
- Researched, developed, and produced articles once a month to get approved for publication
